TAM'S TAKE

WHY I LOVE FIRST ADDITION AND FOREST HILLS

> First Addition ranks among the oldest neighborhoods in Lake Oswego. The city platted it in 1888 and 1925, first for workers at the Oregon Iron and Steel Company. The American Planning Association named it a Great Neighborhood in 2007.
>
> You'll walk to coffee, the library and Millennium Plaza Park. Forest Hills sits next door with wooded streets and Tryon Creek close by.

GOOD QUESTIONS

ASK TAM

Why did First Addition win a national award?
The American Planning Association named First Addition a Great Neighborhood in 2007 for its walkable layout and history.

Does a home here come with lake access?
Docks, power boats and private lake facilities go with specific addresses, not whole neighborhoods: lakefront homes and homes with a deeded lake easement through the Lake Oswego Corporation. Since 2025, the public can also paddle and swim in from Lower Millennium Plaza Park under city rules, and that court case is on appeal. I check the lake rights on every home we tour.

How do I see homes here?
Book a consultation with me first. I'll build a search for this neighborhood, send you new listings the day they hit and get you in the door.
