HELLO, NEIGHBOR

WELCOME TO LAKE OSWEGO

I live in Mountain Park, I have coffee downtown every Wednesday, and I've walked, toured and sold homes all over this town. This guide holds what I tell buyers over coffee.

Every neighborhood gets two pages: why I love it, what you'll love, the homes you'll find, my tips and the questions people ask me most.

Lake rights, HOAs, city or county lines and flood maps change street by street. Use this guide to narrow your list, then call me. I'll check every address before you fall in love.

LAKE OSWEGO NEIGHBORHOODS

BIRDSHILL

Big wooded lots above the Willamette.

TAM'S TAKE

WHY I LOVE BIRDSHILL

Birdshill sits on the north end of Lake Oswego, between forest land and the Willamette River. Winding roads run under thick tree cover, and many lots run close to an acre.

Want privacy, trees and a kayak launch down the hill? Start here. This is luxury Lake Oswego with a woodsy feel, and I'll market a home here, or find you one, with the polish it deserves.

THE HIGHLIGHTS

WHAT YOU'LL LOVE

TRYON COVE PARK

A dock and a launch for kayaks and canoes on the Willamette.

BIG LOTS

Many homesites run close to an acre.

RIVERSIDE DRIVE

A wooded drive into town.

DOWNTOWN NEARBY

THE HOMES

WHAT YOU'LL FIND IN BIRDSHILL

Craftsman, Colonial Revival and Northwest Contemporary homes, many from the 1950s, with big windows and brick accents.

- Large wooded lots mean tree rules. I'll check city permits before you plan changes.
- Older homes on big lots make great remodel projects. I'll bring a contractor to the second showing.

INSIDER INTEL

TAM'S TIPS

- Launch a kayak at Tryon Cove Park on a summer morning.
- Drive Riverside Drive in the fall for the colors.
- Ask me about lot lines before you fall for the view.

GOOD QUESTIONS

ASK TAM

How big are the lots?
Many lots run close to an acre. I'll pull the exact lot size and tree rules for any home you like.

Does a home here come with lake access?
Docks, power boats and private lake facilities go with specific addresses, not whole neighborhoods: lakefront homes and homes with a deeded lake easement through the Lake Oswego Corporation. Since 2025, the public can also paddle and swim in from Lower Millennium Plaza Park under city rules, and that court case is on appeal. I check the lake rights on every home we tour.

How do I see homes here?
Book a consultation with me first. I'll build a search for this neighborhood, send you new listings the day they hit and get you in the door.

GOOD QUESTIONS

ASK TAM

Is Lake Grove part of Lake Oswego?
Yes. Lake Grove joined Oswego in 1959 to form the city of Lake Oswego.

Does a home here come with lake access?
Docks, power boats and private lake facilities go with specific addresses, not whole neighborhoods: lakefront homes and homes with a deeded lake easement through the Lake Oswego Corporation. Since 2025, the public can also paddle and swim in from Lower Millennium Plaza Park under city rules, and that court case is on appeal. I check the lake rights on every home we tour.

How do I see homes here?
Book a consultation with me first. I'll build a search for this neighborhood, send you new listings the day they hit and get you in the door.

- Big lots sometimes come with wells, septic or private roads. I'll check each one before you write an offer.

INSIDER INTEL

TAM'S TIPS

- Visit at sunset for the views.
- Ask me about wells, septic and road agreements before you fall in love.
- Bring your builder to the second showing. I'll set it up.

GOOD QUESTIONS

ASK TAM

Is Skylands in Lake Oswego?
Partly. Some homes sit inside city limits and some sit in unincorporated Clackamas County. I'll confirm for every address.

Does a home here come with lake access?
Docks, power boats and private lake facilities go with specific addresses, not whole neighborhoods: lakefront homes and homes with a deeded lake easement through the Lake Oswego Corporation. Since 2025, the public can also paddle and swim in from Lower Millennium Plaza Park under city rules, and that court case is on appeal. I check the lake rights on every home we tour.

How do I see homes here?
Book a consultation with me first. I'll build a search for this neighborhood, send you new listings the day they hit and get you in the door.
